Rocky Mountain Linux Fest 2027
August 7th, 2027 Denver, Colorado
Sponsorship Opportunities

Rocky Mountain Linux Fest is a free community event dedicated to provide and support educational activities related to Linux and Open Source software.

Get your brand in front of and develop more and better relationships with the frontline technicians, developers and decision makers that make up a significant part of our attendees.

Sponsors provide Rocky Mountain Linux Fest with the support needed to put on such an event, while keeping admission free. We invite you to come connect with the amazingly talented and diverse groups of sysadmins, developers, designers, F/OSS leaders, and end users by sponsoring Rocky Mountain Linux Fest. Sponsorship opportunities are listed below!

Rocky Mountain Linux Fest sponsorship is a great deal!

Contact us at info@rockymountainlinuxfest.org

Gold - $3000

Our main supporting sponsor. This is an exclusive sponsorship. Includes:

- T-shirts for 4 members
- Large prominent booth in the front of the expo hall
- Your logo on the RMLF front page, identified as a Gold sponsor
- Recognition at conference welcome

Silver - $1500

The suggested sponsorship level for the majority of commercial organizations. Includes:

- T-shirts for 2 members
- your logo on the RMLF front web page identified as a Silver Sponsor linked to a custom info page
- a booth in the expo hall on the main floor with 10' of frontage

Linux Lover - $500

This sponsorship level is for smaller organizations. Includes:

- T-shirts for 2 members
- your logo on the RMLF web page identified as a Linux lover linked to a custom info page
- a booth in the expo hall with 6' of frontage

Lanyard or Tote Bag Sponsor

Supply 500 lanyards/tote bags with logo

Saturday Night Party - $2500

Saturday night's party at the local barcade is guaranteed to draw a large crowd of nerds. Dozens of Pinball Machines, classic arcade games along with food and Drinks is sure to be an epic time. Your sponsorship will be the beginning of a lot of memories from this year's Fest.

- On-site signage with your logo
- your logo on the RMLF front page identified as a Party Sponsor linked to a custom info page
- Statement of sponsorship in print schedules
- Regular namedropping by fest organizers all night long!

Non-profit

Open Source and Linux-driven projects may set up a booth for free with advance arrangements.
